Leave of Absence

A degree student who finds it necessary to interrupt active pursuit of the degree may petition his or her advising office for a leave of absence for a specific period of time, generally limited to one calendar year. A degree student who discontinues active enrollment in degree studies without being granted a leave of absence, or a student granted a leave who does not return to active study at the close of the period of approved absence, must apply for readmission and be subject to the regulations and requirements then in force. The right to the use of university facilities is suspended while the leave is in effect.

I am requesting a leave of absence for the following reason (indicate only one):

- Receive mental health/medical treatment
- Family emergency
- Active Duty Military deployment
